"I thought the seminar was really well done. It had a good mix of instruction, real life examples, and hands on activities to help maintain everyone's attention."

Sgt. Timothy VanWinkle, Washington State Patrol

"Instructor incorporated personal experiences appropriately to supplement training material. Course content will definitely be beneficial as I start new assignment as a detective sergeant."

Sgt. Craig Johnson, Bellingham PD

"The information you presented was entirely applicable and the specific practice of meeting with our detectives was a great reminder to do what I already do, but to do it more often/regularly. What I also found to be helpful was your general perspective on various things, drawn from your years of experience as an administrator."

Det. Sgt. Remie Rees, Kennewick PD
