"The instructor made the course easy to follow and enjoy. This course provided great tools that we can incorporate in our agency."

"Use of practical examples and exercises were effective. Great examples (real world) to bring home points of seminar. Thank you."

"I really enjoyed the 2-day seminar. The instructor was knowledgeable, engaging, and easy to follow. The instructor's explanation of the DISC profile was useful and better than the one I previously completed. I learned a lot of skills that will be useful to my organization, some of which I have already begun to implement."
