Who should attend: Sworn police officers from the rank of Chief of Police/Sheriff to police officers, deputies and corrections personnel.

Nothing is as important to government services as the relationship between law enforcement and the public that is served. Agencies and individual employees must understand their role and that every action and statement that is made reflects on the profession as a whole. This training will focus not only on individual employee attitudes and beliefs, but also organizational & provide attendees with the skills to effectively handle volatile situations as well as how to improve public satisfaction.
